

**FAMILY FRIDAYS...**We'd like to start something called "Family Fridays" where a few families at a time visit the classroom right at entry time to engage in games and puzzles with the kids. This is intended to be a low-key, social learning time with your child and the others in the classroom. This is also a chance for you to see and read the documentation that is up in the room. You'd come into the classroom with the kids at 8:50 and would stay 'til about 9:20 – 9:30. This is new and we're working out details.

**Could you give us some feedback, please, by this Friday to help us plan?**

(NB: No toddlers, adults only for this)
